## OUR MISSION

Interfaith Community Partners is a non-profit organization with a mission to maximize the independence and well-being of older adults by enabling connections with others in their community. We currently serve Lyons Township and parts of Proviso and Riverside Townships.

Over 105 volunteers provide escorted transportation to medical appointments, therapies, and life-enhancing errands such as the grocery store, bank, hairdresser, and church. We also partner with local libraries to provide homebound delivery service. Our Petal Pusher program takes gently used, donated flowers to repurpose into small vases which we deliver to our clients and business partners. **There is no cost to the people we serve, our Care Partners.**

Anna's niece found Interfaith Community Partners on the web after searching for transportation for older adults. Anna sold her car since she cannot drive anymore because of vision and hearing loss. She wants to stay independent in her own home, where she has lived for 28 years, and ICP makes that possible. Her driver volunteers take her to the bank, to mail letters, grocery shopping, and to the eye doctor. She says her ICP volunteers cannot be replaced.
