## Play Dough Recipe

1 cup of flour

½ cup of salt

1 cup of water

1 tablespoon oil

2 - 3 teaspoons cream of tartar

Food coloring

Mix the flour, salt, cream of tartar and oil in a bowl. Boil the water and add the food coloring to the water. Carefully pour the water into the bowl. Mix everything really well. Kneading it inside a ziplock bag is mess free! And a great place to store the dough.
